

Powering transformative camps for children with serious illnesses, disabilities, and life challenges

Camp Twin Lakes is a nonprofit organization that provides year-round, fully adaptive, and deeply impactful camp experiences to nearly 10,000 children and young adults, helping campers grow in their confidence and experience the joys of childhood. The magic happens at three fully adaptive and medically supportive campuses in Georgia.

HOW WE SERVE

Camp Twin Lakes partners with 70+ nonprofit organizations serving a diverse range of diagnoses and adverse childhood experiences. We bring our proven expertise in therapeutic programming, state-of-the-art camp sites, healthy and kid-friendly food services customized to each camper's dietary needs, highly trained staff, and devoted volunteers. Because every camper deserves all we have, we provide each camper with a \$550 scholarship through our Camper Scholarship Program. This program makes the Camp experience possible by reducing financial barriers.
